- LIGHT BLUE GRADIENT
Become an Exhibitor
We are looking for exhibitors who can present valid science and engineering principles in a novel, fun, educational, engaging, captivating and hands-on interactive format, geared towards a 11th or 12th grade science understanding or below.

Become a Sponsor
Thanks to the generous support of our sponsors, the USA Science & Engineering Festival is accessible and FREE to the general public, and the 3rd Festival had over 800,000 participants! We have special benefits and events for sponsors, such as a special VIP Event with opportunities to meet with government officials, media and other key delegates. Contact: marc@usasciencefestival.org

Become an Ambassador
Our Volunteer Outreach Team members and STEM community leaders who live and/or work in the Washington DC Metro Area and share Festival opportunities with their colleagues, organizations and local schools.
Join us at the 5th USA Science & Engineering Festival where we’ll take you on an amazing interactive exploration of everything STEM from outer space to the deep blue.

WHERE WILL STEM TAKE YOU?
APRIL 5-8, 2018 WASHINGTON, DC

INSPIRE THE NEXT GENERATION
APRIL 5-8, 2018 | WASHINGTON, DC

#SCIFEST

Join us in inspiring the next generation of scientists and engineers at the most exciting educational and entertaining science festival in the United States.
