

Using our Video Library as an Educational Resource

Teacher and Parent Tips:

Our video library filters the videos by subject matter to make the selection process easier for your lesson plans. Access the video library here: [X-STEM Videos](#) | [Festival Videos](#)

Offer a quick explanation describing why you selected this particular video for your students/children.

During the video, ask students to pause and reflect on the information presented. Ask the students to answer a list of follow up questions for a deeper analysis of the subject matter. Some sample questions are included below.

Video Reflection and Analysis Questions:

Who did you learn about in this video? What is his/her name and what kind of work does he/she do?

Why is this speaker's work important?

How does his/her work have a direct impact on your life?

Tell me what you remember most from the speaker's presentation? What did you find most interesting?

What other kinds of jobs can you think of in his/her area of work?

Are you interested in learning more about this topic?

Can you predict what will change about this topic in the future? How will this impact your life?

If you could ask this speaker anything, what would it be?

Pick one fact from this video and do your own follow up research. Provide a list of what you have learned.
