

## THE FIRST-EVER MUSIC-BASED ALGEBRA READINESS PLATFORM CREATED BY HIT SONGWRITERS!

Developed by a team of learning experts, PhDs, and hit songwriters, Muzology uses music videos to make learning math fast, fun, and effective. Muzology's songwriters have worked with today's hottest artists such as Ariana Grande, Justin Bieber, Carrie Underwood, and Beyoncé!

*"It's probably one of the best resources that I've got, and I've been teaching for 25 years. It's reminded me of what I grew up on: Schoolhouse Rock, but on steroids."*

- Shirley Forehand, Math Dept. Chair, Hall High School, Little Rock, AR

### VIDEO POP QUIZ - "TWO STEP EQUATIONS"

When your equation has no solution, all of your variables cancel, and you're left with...

A. A true statement

B. A false statement

C. A true and false statement

When your equation results in a true statement, then...

A. There is no solution

B. There is one solution

C. There are infinitely many solutions

You just learned MATH IN MINUTES!
