

## USASEF X-STEM Fellowship Application 2024/2025

### LOGISTICAL QUESTIONS

- Full Legal Name
- Personal Email (required for summer correspondence to prepare for 2024/2025 school year)
- School Email
- Cell Phone Number
- School Name (complete official name, no abbreviations)
- School Address
- School Type
- If school type is public, charter, or magnet, please indicate if it is a designated Title 1 school
- What grade/s are you currently teaching?
- What content area/s are you currently teaching?
- Provide only **public** facing social media handles (X (Twitter), Facebook, Instagram, LinkedIn, TikTok). If you do not have one, write N/A. Social media following is not a factor in our decision making.
- Optional: Provide links to blogs or any other relevant pages specific to you as an educator

### OPEN RESPONSE QUESTIONS

The following questions should be answered in 150 words or less. Concise answers are preferred.

- What have you found to be the 3 most effective ways to engage students in STEM topics?
- If you could give one piece of wisdom/encouragement to a student interested in pursuing a STEM field, what would it be?

### OTHER CRITERIA

- Upload a letter of recommendation from your principal, assistant principal, or STEM lead that includes their contact information. PDF format only.
